Dear Commissioners:

We would like to request that the SCC public hearing for the Dominion Power's application **PUE-2015-00107** for the Haymarket 230 kV Double Circuit Transmission Line and 230-34.5 kV Haymarket Substation, be held at a location in or near Haymarket that will have sufficient capacity to accommodate the large number of citizens that will likely attend. At a town hall meeting on this issue in January 2015 over 1,000 citizens attended and we were at capacity for the high school where the meeting was held.

We would also like to request that the public hearing be scheduled for a date that will allow members of the General Assembly who represent the affected areas to attend. Given the constraints of preparing for the General Assembly session we would like to request that the hearing be scheduled for after the General Assembly adjourns Sine Die in March.

Thank you for your time and consideration. If you have any questions you can reach Delegate Marshall at 703-853-4213

Sincerely,

Delegate Bob Marshall-13<sup>th</sup> District

Senator Richard Black-13<sup>th</sup> District

Senator Richard Stuart-28<sup>th</sup> District

Delegate Tim Hugo-40<sup>th</sup> District

Delegate-Elect John Bell-87<sup>th</sup> District
